GOVERNOR'S WORKFORCE DEVELOPMENT DIRECTIVE NO. PY2002-01, Chg. 10

SUBJECT: Training and Employment Guidance Letter (TEGL)

1. **Purpose.** This transmits the following TEGL:

<u>Number</u>	<u>Date</u>	<u>Subject</u>
22-02	3/24/2003	Negotiation of Performance Goals for Program Years Four and Five Under Title I of the Workforce Investment Act

2. **Discussion.** TEGL No. 22-02 informs States of the guidelines for negotiating performance goals for the performance and customer satisfaction indicators for the fourth and fifth program years (PY 2003 and PY 2004) of the Workforce Investment Act (WIA).

TEGL No. 22-02, which is dated March 24, 2003, indicates such PY 2003 and PY 2004 performance goal negotiations should be completed by June 30, 2003. Once these negotiations are finalized, the goals are to be incorporated into States' WIA Five-Year Plans by means of the Plan modification process.

Alabama submitted a Workforce Investment Act, Title I, Five-Year Plan modification request to the USDOL Regional Office on March 11, 2003. Included in this package were proposed State of Alabama WIA Title I performance goals for Program Years 2003 and 2004, as well as proposed revisions to existing Program Year 2002 WIA performance goals.

This submission did include the detail regarding the development of the proposed PY 2003 and PY 2004 proposed performance goals required by TEGL No. 22-02, part 4.B., paragraph three.

It is anticipated that USDOL will contact the State regarding further PY 2003 and PY 2004 performance goal negotiations once their review of Alabama's initial submission is complete.

The local area PY 2003 performance goal departure points transmitted in GWDD No. PY 2002-18, dated February 28, 2003, as indicated within that GWDD, are based upon the proposed Statewide PY 2003 goals submitted to USDOL. Therefore, these initial local area goals may change. Local areas will be advised of any such changes prior to the scheduling of specific State-local area PY 2003 performance goal negotiations.
